# CLASSIC COLLECTION

FULLY VITRIFIED CHINA

This new and exclusive range of fully vitrified china has been developed in recognition of our customers' need for a durable, high performance, but cost effective tableware range. Manufactured to exacting standards for strength and durability, this simple, plain white pattern is at the same time both extremely attractive and highly practical. Designed with the modern caterer in mind, the range includes plates, bowls, speciality and service items and represents outstanding value for money.
