

Stölzle stemware is famous not only for its ability to allow wine to evolve to its optimal flavour, but also for its extreme durability in even the busiest of commercial and hospitality settings. Our melted crystal glass is lead-free and reaches the highest standards regarding brilliance, breaking strength, resonance, scratch and dishwasher resistance.

#### Stölzle - Exquisit

The Exquisit set is a complete set with stylish shapes to make even the most particular enthusiast gleam with excitement.
