

The history of Bormioli Rocco is the history of glass. At the beginning of the XIXth century, in 1825, the first Bormioli Rocco glassware laboratory was built in Parma. Since 1825, Bormioli Rocco has travelled a road marked by the continuous introduction of innovation in machinery, materials and design.

Bormioli Rocco - Ypsilon

Clean cut, simple yet elegant. The triangular shapes of Ypsilon will give your table a smart, refined look.
