

Friedr. Dick - Premier Plus Knives

Friedr. Dick has been a manufacturer of high quality products since 1778. It's Premier Plus range, unlike traditional knives with a handle housing, it is impossible for food residue or liquids to penetrate. As is standard with the Friedrich Dick company, each finished knife of the Premier Plus series is sharpened and honed by hand

Victorinox - Style Knives

A range of Swiss professional knives with stainless steel blades and dishwasher proof. The correct blade hardness and the laser tested cutting angle guarantee a high edge retention. The slip resistant FIBROX handles can be sterilised at temperatures of up to 100-150°C. Nylon (Polypropylene) moulded handles feature dishwasher proof, economical solution for everyday use.
