### Lesnie's Boning Room Mix Detergent

- A combination of selected wetting agents and water conditioners formulated to provide a stable high foam when used through appropriate equipment to penetrate, soften and remove protein matter, fats and blood in abattoir boning rooms, kill floors and other food processing areas
- Boning Room Mix is Hypochlor compatible
- AQIS Approved

Code	Description	UOM/Qty
ELI11213005	Liquid Detergent, 5L	Ea/1
ELI1123020	Liquid Detergent, 20L	Ea/1

**LESNIE'S**

### Lesnie's Super Sanitiser

- Anionic and nonionic surfactants, foam stabilisers and boosting agents in combination with a broad spectrum antimicrobial agent make up this efficient foam cleaning compound for positive cleaning action in the food plant
- The concentrated foam clings to surfaces allowing effective penetration of the emulsifiers thus loosening/removing proteinaceous matter, blood, fats and other contaminations
- AQIS Approved

Code	Description	UOM/Qty
BF11225005	Foam Cleaning Compound with Sanitiser, 5L	Ea/1
BF11225020	Foam Cleaning Compound with Sanitiser, 20L	Ea/1
BF11225200	Foam Cleaning Compound with Sanitiser, 200L	Ea/1

**LESNIE'S**

### Lesnie's No Rinse Sanitiser

- Highly Active low foaming Quaternary Ammonium Compound (QAC)
- Broad spectrum of antimicrobial activity
- No rinse application at max 200 ppm (700:1)
- AQIS Approved

Code	Description	UOM/Qty
BF1123005	No Rinse Sanitiser, 5L	Ea/1

**LESNIE'S**

### Lesnie's Chlorinated Foam Cleaner

- Effective detergent/sanitiser combination in liquid form. It is designed for the removal of fat, blood and proteinaceous soils found in the food and meat industries
- It is safe on all metals at use concentrations
- The chlorine activated foam rapidly penetrates for easier removal and sanitation
- AQIS Approved
- 200 Litre available on request

Code	Description	UOM/Qty
ELI11201020	Chlorinated Foam Cleaner, 20L	Ea/1

LESNIE'S

### Lesnie's Hypochlor

- It is fitting that 'Sodium Hypochlorite' has been dubbed the 'Universal Disinfectant' throughout the chemical world, so many and varied are the uses of this product
- AQIS Approved

Code	Description	UOM/Qty
ELI11216005	Hypochlor 2 (12.5%), 5L	Ea/1
ELI11216020	Hypochlor 2 (12.5%), 20L	Ea/1

LESNIE'S

### Lesnie's Disinfectant

- A water based germicidal disinfectant containing a quaternary ammonium compound blended with a nonionic surfactant
- Long lasting residual aroma
- AQIS Approved
- 200 Litre available on request

Code	Description	UOM/Qty
ELI11203005	Disinfectant, Eucalyptus, 5L	Ea/1
ELI11203020	Disinfectant, Eucalyptus, 20L	Ea/1
ELI11211005	Disinfectant, Apple Fresh, 5L	Ea/1
ELI11211020	Disinfectant, Apple Fresh, 20L	Ea/1
ELI11217005	Disinfectant, Lemon, 5L	Ea/1
ELI11217020	Disinfectant, Lemon, 20L	Ea/1
ELI11219005	Disinfectant, Mint, 5L	Ea/1
