

Hip Protection

SAFEHIP®

SAFEHIP® Soft with AirX Technology

SAFEHIP® Soft with AirX technology offers the following benefits for users and carers:

- Optimal conformity to the body-invisible under clothing
- Cool to wear due to the slim line AirX textile spacer fabric shields
- 100% breathable for comfort
- Can be washed at 95°C and tumble dried at the 160°C
- Unique "Horse Shoe Design"
- Provides security and peace of mind
- Comfortable to wear day and night
- Clinically proven

SAFEHIP® AirX unisex, female and male sizes

Size (cm)	Small	Medium	Large	XLarge
* Hips	70-95	90-110	100-120	110-140

SAFEHIP® AirX Open, unisex sizes

Size (cm)	Small	Medium	Large	XLarge
* Hips	75-95	90-110	100-120	110-140

*The hip measurement indicates where the shields will be positioned to protect hip. Tolerance +/- 2cm.

NB: If you prefer firmer fitting garments and fall between the two size ranges we would recommend you select the smaller size
